FRYEBURG

Eastman-Palmer

A wedding of interest was solemnized at St. Barnabas church Monday, June 22, when Miss Leola D. Palmer, daughter of Mr. and Mrs. Henry Palmer, Madison Avenue, Berlin, N. H., was united in marriage with T. Clifford Eastman, son of Mr. and Mrs. James Eastman of Fryeburg.

The impressive double ring service was performed by Rev. Hodder of Plymouth.

The bride wore a handsome gown of heavy white satin with white picture hat. She carried an arm bouquet of white roses interspersed with lilies of the valley. There were no attendants.

A wedding breakfast followed the ceremony at the garden which was attractively decorated for the occasion.

Only the immediate families and a few friends were in attendance.

Mr. and Mrs. Eastman left by automobile during the forenoon for a honeymoon and will later return to Fryeburg to make their home.

For traveling, the bride wore a gown and coat on the cocon shade with attractive close fitting hat.

The bride is a graduate of Berlin High School, Lowell Commercial College, and has attended summer sessions at Keene Normal School and the University of New Hampshire. For the past year she has been engaged in teaching at Kennett High School, Conway.

The groom is a graduate of Fryeburg Academy and the University of Maine and is owner of the Western Maine Forest-Nursery at Fryeburg.

Get the Big Yield!

From the first day those tender corn plants push through the soil into sight, you look anxiously down the corn row and picture in your mind's eye the harvest beyond. What that harvest will be depends much on your cultivator and how you use it. Do you like to use it? Is it easily controlled?

McCormick-Deering Cultivators

Long ago our McCormick-Deering cultivators went through the experimental stage. As worth-while improvements were discovered they were adopted. Today—wherever you go, you hear them praised for their good work; their easy operation; their convenient adjustments; and the comfort they provide the user.

You should go to the store of the McCormick-Deering dealer and look them over. Samples are set up there for you. Climb into the seats, shift the pedals, handle the levers. Then let the dealer quote you the low prices. You will quickly agree that these popular cultivators give real value for the money, and these are days when real value counts big.

The members of the family of the late Mrs. Rens E. Kimball, who died on June 15, 1925, at her home in Norway, Me., desire to express their sincere thanks to all who in any way assisted them in their bereavement and for the beautiful floral tributes.

We don't blame
some men for trading
out of town!

Let Us Repeat
That!

We don't blame some men for jumping a train or stepping on an accelerator when the need for new clothing sets in. They don't know us—they don't know this stock—they have never been in this store—and they don't know what's in store for them.

If the Norway men now wearing clothes that were purchased in New York would take the time to drop in here and compare notes and notions, the Canadian National would sell fewer tickets and the restaurants, hotels and theaters in New York would do less business and—We'd do more.

"MY NEIGHBORS KNOW HOW MUCH I SUFFERED"

Was Never More Surprised in Her Life Than At The Way Karnak Helped Her, Says Monroe, Me., Woman.

Everyone now seems to be praising Karnak, the sensational new medicine.

Mrs. A. G. Larby, of Monroe, Me., who is very active in community affairs and wife of one of the most extensive farmers in the district, declares:

"I couldn't do otherwise than praise Karnak. Early last summer my right arm became so painful that I lost the use of it completely. Every move I made was simply torture. I couldn't pick up a dust cloth with it, and if I even moved

in the least bit it made me cry out with pain. My digestive organs were in terrible condition also and caused me much suffering from gas and constipation. I could never get a good night's sleep, and mornings I just felt worn out to start the day.

"I was never more surprised in my life than I was at the wonderful way in which I improved when I began taking Karnak. In a week's time I could move my arm without pain. I am no longer bothered with indigestion, gas or constipation, sleep sound and restful at night and feel like a different person. I can never praise Karnak enough for all it has done for me."

Karnak is sold in Norway exclusively by Frank P. Stoney and by the leading druggist in every town.

The Most Simple, Lightest Draft Windrow Loader

We want you to come in and see what we believe is the lightest draft windrow loader ever built—it is so light draft that one man can pull it, on level land, elevating a fair-sized windrow onto the wagon.

JOHN DEERE Dain System Windrow Loader

The Dain System Loader is light draft because of its simple construction—only one cylinder or drum, and is mounted on the axle. There are no gears. The loading parts are slowly driven; there is no beating or threshing of the hay; hay compression parts are automatically yielding, giving ample capacity; and the frame is mounted on the wheels in such a manner that the loader pulls easily under a heavy load.

The Dain System Windrow Loader is especially suitable for hilly land and for handling hay that has been air-cured in accordance with the Dain System. This loader will handle beans, alfalfa, clover and other kinds of hay gently without loss of leaves.

Don't forget that the Dain System Windrow Loader is on display at our store now.

THE HONOR IS MAINE'S
The good state of Maine, alive to the importance of settling at least one record for the year to come, has erected at Mere Point in Casco Bay, some 13 miles north-west of Portland, a tablet to tell the world, on such a part of it as visits that beautiful spot, that there was the first United States soldier touched by the round-world American airman on their return from their memorable journey. To preserve the place for all time a State park has been laid out there.

We believe that our own East Boston was the locus of the first "official" landing made by the aviators. That may be but we are not illogical or jealous enough to deny Maine's claim to the actual first debarkation. The men landed at Mere Point; Mere Point was American soil and the landing was their first since leaving British territory. That is all there is to it—Boston Post.

You have many useless articles which someone would like to exchange with you for something you would like—for instance if you have a baby carriage and want an old fashioned bureau—put an exchange ad. in the Intelligence column. The price for such an ad. would be 25c for 25 words less one week, 40c for two weeks and 50c for three weeks.

The radio listener should become acquainted with his local station and enjoy them during the summer, and be satisfied with the long distance records he has made or will make in the winter. In other words, he should get the best there is in radio during all seasons, and above all, he should be reasonable.

A new \$20,000 theatre has been opened to the public at Rumford.

NEW HIGHWAY ROUTE MARKING IN THE STATE OF MAINE

Maine has adopted the most comprehensive and complete system of highway route markings of any state in the union and it is now in effect.

The markers bearing the numbers of routes are placed on special posts, 42 inches above the crown of the road and are erected by the Maine Highway Commission. In other states the telephone and telegraph poles are used. The Maine idea is better as regards height and position that they may be read at night easily with the aid of the headlights.

The signs will be set so that the number of the highway being followed will show on the post beyond the intersection of the road turning off from the highway being followed.

In case of a junction of two numbered highways the sign carrying the number of the intersecting highway will be displayed on the post before the highway is reached, with an appropriate arrow, either right or left, showing the direction of the intersecting numbered highway. If it is a right-angle intersection, that is to say, if the other numbered highway crosses at right angles, two arrows will be shown, one pointing right and the other left.

The number signs will be approximately 12 inches by 14 inches, made of pine boards, painted with a field of yellow, and the border, numerals and arrows in black.

Numerals under 100 indicate inter-state routes.

Numerals over 100 indicate intra-state routes.

Buy Your Studebaker—Now!

You may buy a Studebaker today—or on any day of the year—with the confident assurance that no act of ours will stigmatize it as a "last year's model"

STUDEBAKER has discontinued the custom of presenting a new line of automobiles each year. Instead of bringing Studebaker cars dramatically up-to-date once in twelve months, we shall keep them up-to-date all of the time—with every improvement made available by our great engineering and manufacturing resources.

Improvements and refinements, of course, will be made from time to time. New features will be added. As in the past, we shall continue to pioneer all vital betterments. But Studebaker will have no yearly models to make your July car obsolete in August.

A dramatic story behind this new Studebaker policy that vitally concerns everyone who expects to buy an automobile this year.

Amazing records of Studebaker performance and endurance prove beyond question that the present line of Studebaker cars is so soundly engineered and manufactured and so satisfactory in the hands of owners that drastic annual changes are not required.

Authentic reports show that hundreds of Studebaker cars have given from 125,000 to 400,000 miles of sturdy, dependable service. One Studebaker Big Six, used as a mail car, traveled almost 500,000 miles in 5½ years, giving 24-hour round trip service between Bakersfield and Los Angeles, California.

Stupendous mileage! But the same stamina and rugged dependability is built into every Studebaker that leaves the factory.

A Studebaker taxi in Jewett City, Conn., has traveled 31,008 miles without even having the valves ground on the carbon removed. In Stockton, Calif., a Studebaker Big Six has piled up 138,000 miles over steep mountain grades and rough country roads with negligible upkeep—not a single major part has been purchased or repaired by reason of wear or accident.

It is a significant fact that wherever travel conditions are most severe, Studebaker by far outlasts its normal proportion of cars. Bus Operators, Rent-a-Car Companies, Police and Fire Departments, all turn to Studebaker year after year for their transportation equipment, because they have found that it always yields scores of thousands of miles of reserve transportation, and has low upkeep costs.

At the mileage when other cars are breaking up—Studebaker cars are breaking in. It's the second and third and fourth and fifth thousand miles that prove Studebaker superiority. It's this reserve mileage—even though you may never use it—that greatly increases Studebaker resale value.

Stamina is in-built—inherent—a vital and indispensable part of the Studebaker formula for building fine motor cars.

Buy this "One Profit" car now Remember—under this new Studebaker policy—there is no need to delay the purchase of your new automobile until annual changes have been made. Come in and see these sturdy, dependable, "one-in-a-kind" automobiles. Today Studebaker offers greater values than ever before. It is sound judgment to buy now.

BETHEL

Barton A. Smith D. R. Smith's brother, Barton Smith, passed away Thursday, June 18, at 10 o'clock P. M. at the O. M. Sanatorium at Fairfield, where he had been a patient since last August.

His home was in Portland. S. S. Greenleaf, undertaker here, went there and brought the body to his rooms, Saturday.

Mr. Smith was the son of the late Alvin and Georgianna (Kendall) Smith, who formerly lived on the homestead on Sunday River later moving to Bethel.

He was a successful teacher for a number of years, qualified as a mail clerk, which has been his vocation for nearly four years.

He made a brave fight for life. He leaves his wife, a stepson, his brother, Daniel R. Smith and wife, a sister, Ruby (Smith) Cunningham, in his family circle and hosts of friends who deeply mourn the passing of a life that seemingly had just begun.

Services were held Tuesday afternoon at Riverside cemetery conducted by the Rev. S. T. Achenbach, pastor of the Congregational church. Burial was in the family lot where he had requested to be laid to rest.

Beautiful floral offerings of love alleviated in a measure the extreme sadness felt by all.

Smith-French

A wedding of interest was solemnized at Gorham, N. H., when Daniel French and Alice French, both of Bethel were united in marriage by Rev. Helena Aldrich at the Universalist church.

The double ring service was used. They were attended by the bride's French mother of the bride, and Mrs. W. E. Cunningham, Mrs. Cunningham being a sister of the groom.

After a short wedding trip they returned to Bethel and are receiving the felicitations of relatives and friends.

Kathryn Herick, Flora Swan Rev. and Mrs. George H. Wilbur of Hood River, Oregon, and his sister, Mrs. Kimball, who is a native of Bethel, were recent callers on Mrs. A. E. K. Grover.

Mr. Wilbur is a native of Albany, the oldest son of the late Henry and his wife, a California native.

They have three fine boys, the oldest 18 years of age. This is his first visit in Maine after an absence of twenty-eight years.

Mr. Chapman, who is a former pupil of Mrs. Grover. Much pleasure was enjoyed by all in the meetings and greetings of all.

Mr. Charlie Brown was taken to the Eye and Ear Infirmary, Friday, to be operated on. Dr. R. R. Tibbels accompanied him. He is expected to be discharged in a few days.

Emma Marshall closed her school at Walker's Mills, Friday, with an enjoyable picnic for the scholars, and is at home.

Mr. and Mrs. E. F. Peterkin were guests of relatives in Bridgton, Saturday. Mrs. Marchus Philbrick and family from Mexico and Rumford made a short call on her parents, Mr. and Mrs. E. F. Peterkin, recently.

At the Universalist Church the children of the Sunday school presented a very interesting program of recitations, songs and exercises, Sunday morning.

Ruth Bennett and Miss Evelyn Brinshaw beautiful songs. Mrs. Dorothy Edgington and Miss Yashwa, a duet; Melin and Charlie Chaplin and John Twaddle a trio. Rev. Mr. Eastmanhouse gave a talk. Eight small children were christened. The church was elaborately decorated.

Frank Winter, Esq., Mrs. Winter and daughter, Mrs. Langdon and two sons, Richard and Richard, were calling on friends, Saturday. Mr. Winter left for the South where he was called on a law case this week.

Mr. Winter is a prominent lawyer. For many years, in early manhood, he lived at Bethel, where he still has many friends. During his absence in the South his family will be at Poplar Tavern, Newry, which is near the former home of Mrs. Winter.

Mr. and Mrs. George French and son, Harold, and Mr. and Mrs. Albert Crook, Harold, and the latter a sister of Mrs. French, were callers at the home of Mrs. Anna French, Saturday, on the way from a fishing trip at West Bethel.

Grover Hill

Allice Munde, who is attending Simmons College, is home for the summer vacation. N. A. Stearns and family were in Norway.

Mr. and Mrs. M. F. Tyler and family entertained Clarence Meserve and family from Mechanic Falls over the week end. Ernest Munde has employment for the summer at South Waterville.

John Anderson and family from Stillington were recent guests at R. B. Mayberry's.

Gwendolyn Stearns was the guest of friends in Saco on her return from Bridgewater, Mass.

Willie Blake from Berlin, N. H. has been a guest at Clyde Whitman's.

Mr. and Mrs. Elmer Lyon from Auburn were week end guests at Harry Lyon's.

THIS MAY COME IN HANDY

All you need do is attach the vacuum cleaner to the attachment to your vacuum cleaner about an inch below the ceiling and watch the fun as the flies disappear into the bag.

RUMFORD

A very pretty wedding was solemnized Monday morning at 6:30 o'clock at St. Athanasius church, when Miss Nellie Dennis, oldest daughter of Mr. and Mrs. Jack Dennis of Penobscot Street, became the bride of Dr. George T. Dyer.

The nuptial mass was given by Rev. Father Flanagan. The church was decorated with carnations, gladioli and snap dragons.

The processional was the Lohengrin Wedding March. Miss Dennis was charming in a broadened orchid chiffon gown, trimmed with Spanish lace, with hat to match, carrying a shower bouquet of Ophelia roses and sweet peas. Miss Soledad Dennis, only sister of the bride, was bridesmaid. She wore a gown of pale green tulle trimmed with gold lace, with pale pink chiffon hat, carrying a bouquet of pink roses.

Other members of the groom, Miss Margaret Dyer, sister of the groom, sang several selections. The single ring service was used.

The Mendelssohn March was played for the recessional. The bride party went to the home of the bride's parents, Chief of Police and Mrs. Jack Dennis, where a wedding breakfast was served.

Those attending were Mrs. George Dyer of Main Avenue, mother of the groom, Misses Margaret and Belle Dyer, sisters of the groom, who live at home, William Dyer, Nellie Pogue, the bride of Portland, Mr. and Mrs. James O'Kane, Mr. and Mrs. Freeman Coolidge, Mr. and Mrs. Jack Dennis, brother of the bride, Miss Sadie Dennis, sister of the bride, Mitchell Jordan, David Kube and Miss Helena Bremick.

Both the bride and groom were born in Rumford, graduating from Stephens High school. Mrs. Dyer in the class of 1917 after which she took a course at Simmons College, and for the past eight years has been successful teacher, being assistant to the Principal in the Commercial Department of Stephens High School.

Dr. Dyer graduated from Stephens High school in 1916, entering Tufts College where he took up dentistry. He entered the navy during the World War and was stationed at Hingham, Mass. for nine months. After the war he returned to Tufts graduating in the class of 1923.

He served one year as dentist at the Bangor State Insane Hospital, and for the past year has practiced dentistry at Tufts. The bride and groom are among Rumford's most popular young people. Pre-nuptial showers were given in honor of Miss Dennis.

The bride's going away costume was rosewood flannel sport suit with blouse to harmonize, and black satin hat. They left by automobile for a shower of congratulations for the young couple.

Upon their return the young couple will remain with the bridegroom's mother until they can secure a suitable home in Dixfield.

Mrs. Dennis was assisted in serving the breakfast by Misses Margaret and Belle Dyer and Helena Bremick. The wedding gifts were many and beautiful, of silver, cut glass, linen and money.

The bride's gift to the bridesmaid was a white gold watch.
